

**CLEAN UP
THE CLASSROOMS**
Keeping Kids Healthy at School & Home

**FAMILY TAKE-HOME
ACTIVITY 2**
GRADES 3-5

Home Scene Investigation

You have already found some germ hotspots in your classroom. Now investigate your home to see if you can find germ hotspots there, too.

Work with your parents to create a clean routine for your house.

1. What areas should be cleaned once a day?

2. Who is responsible? _____

3. What areas should be cleaned once a week?

4. Who is responsible? _____

5. What areas should be cleaned twice a week?

6. Who is responsible? _____
